## **2022-2023 ESSA Equitable Services for Private Non-Profit Schools**

In accordance with requirements of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), the Elysian Fields Independent School District is providing notice to Private Non-Profit Schools that the district will apply for 2022-2023 ESSA Consolidated Federal Grant funds.

Under ESSA, private schools are eligible for services as long as they have K-12 students that reside within the Elysian Fields ISD attendance zones and are also classified as NON-PROFIT institutions.

Elysian Fields ISD will convene a meeting for Private Non-Profit school officials to explain the intent of Title I, Part A programs and the roles of public and private school officials and provide opportunities for the private school officials to ask questions.

The meeting will be held on June 6, 2022, from 11:00 am - 12:00 pm via zoom. Please email Monica Simmons at [mosimmons@efisd.org](mailto:mosimmons@efisd.org) or call 903-633-1500 to verify your official's participation in the meeting and for the virtual meeting information.

Thank you!

Sincerely,

Monica Simmons
