### **Elysian Fields Logo**

The Elysian Fields Independent School District logo is a symbol of our district's brand and commitment to the staff, students and community we serve.

Guided by the district's mission to "educate, engage, and empower all students in a safe and positive learning environment to discover and reach their greatest potential," our branding is meant to be bold and strong.

Maintaining the integrity of our brand is key in achieving that mission.

This Branding Resource is a tool to provide our staff with ways to correctly brand our district materials and provide direction in keeping the use of our brand consistent.

# Elysian Fields Logo Standards

The Elysian Fields logo is the identifying symbol for the district's graphic communications. Its form cannot be altered, and it may be reproduced only in its existing colors (solid or gradient version) or in black or white.

You may not change the colors of any portion of the logo, or alter or distort the logo in any way outside of the variations described above. Be careful when manipulating the logo in a document so that it is not stretched or condensed. Compare the logo you are working with to a copy of the logo that you know is an accurate version. Acceptable and unacceptable uses are shown below.

If you need the district logo for a particular application, or vendor, or have any questions concerning the use of this logo, please email Superintendent Monica Simmons at [mosimmons@efisd.org](mailto:mosimmons@efisd.org).
